

1. Goto this page: <https://gleam.io/gWIN4/70k-subs-mega-gaw>
2. Scroll down and click on the first way to win entries "Visit InternationalStacker on YouTube."
3. Click it

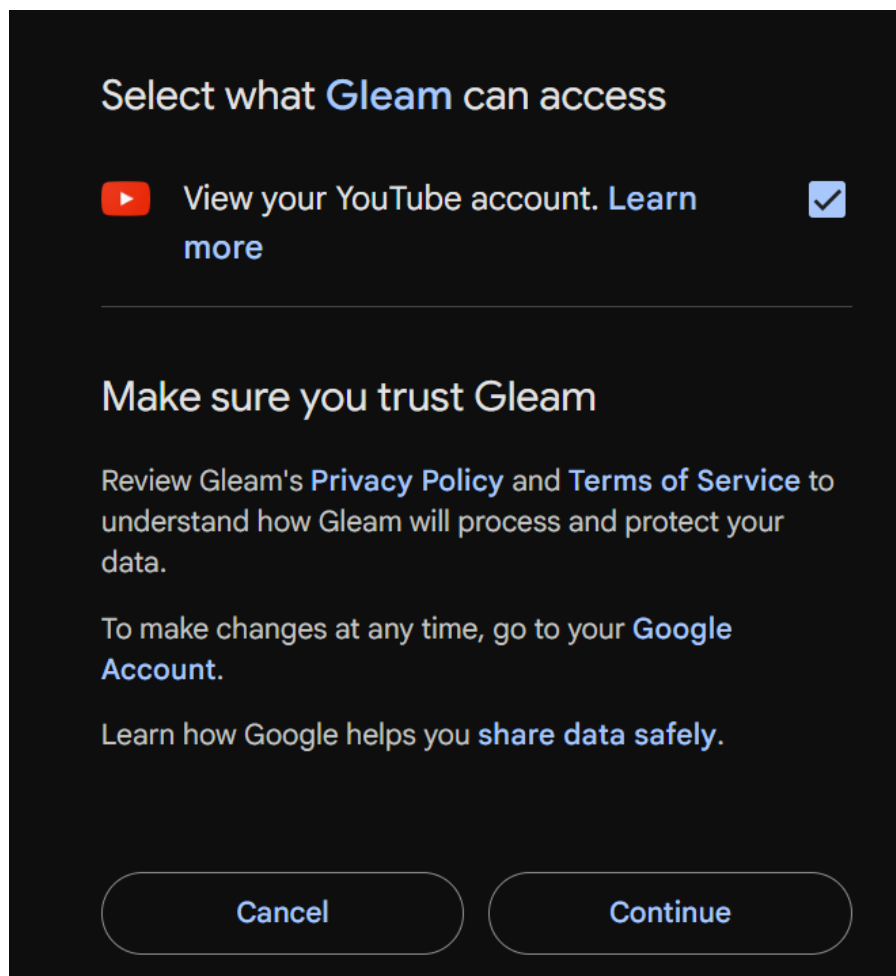

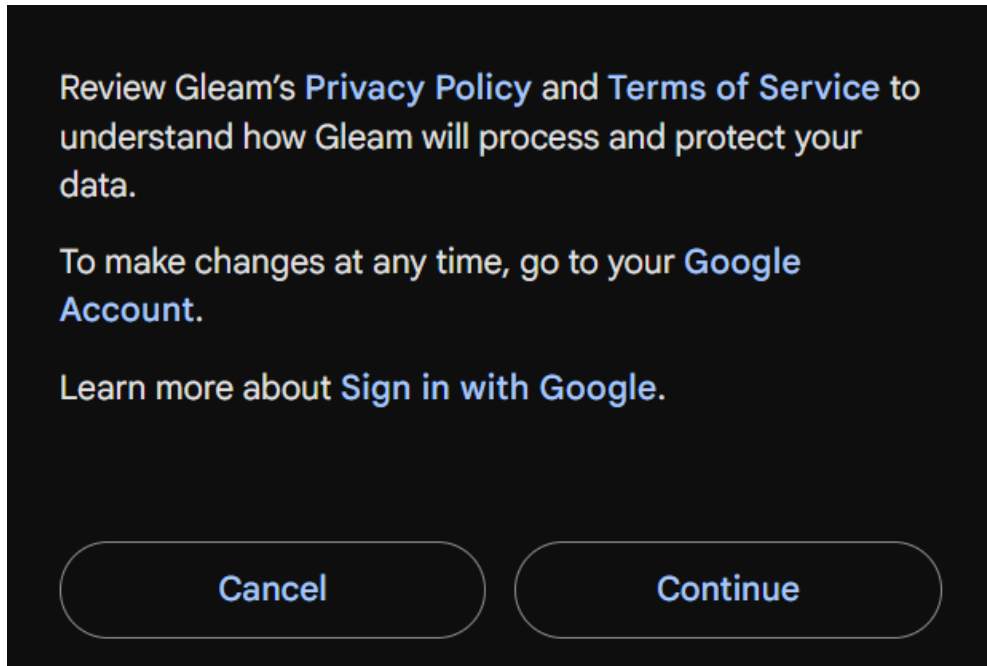

4. Click the big red button that says "Visit InternationalStacker on Youtube" and make sure you stay on my home page for at least 5 seconds, you have to be looking at the actual page for it to count.

5. Once, you do that, close the window and go back to the entry page, on that same part that is open, you will now see a green "Continue" button that has popped up at the bottom it. Click it.

5. Glean will now ask you to sign in with your Google account. Google will show you what information Glean is requesting permission to access. Review the permissions, select your YouTube account and click Continue if you agree. **Make sure the “View your YouTube account” box is checked as shown below.**

6. Then on the Entry page it will ask for your name (You can use your youtube screen name, email and Birthdate. The Birthday is to confirm you are over 18 to comply with the law) For the Bday, note its US style IE Jan 31st 1970 would be 01/31/1970.

Please enter your details to complete your entry

First Name

Alice

Required

Last Name

Smith

Email

alice.smith@example.com

Required

Minimum Age

MM/DD/YYYY

Required

☐ Notify me of other International Stacker Competitions (optional)

Save

Cancel

7. Work your way down the list and claim the points you would like to, it's now tied to your account to keep track of your entries.

I hope this helps! Let me know if it doesn't.
